under the constitution and laws of this state. It is a right which belongs to

mer emptoyes."

In closing the chief justice spoke as follows: "Every member of such asserted government, whether it be an advisory committee or whatever name It is called, who has participated in such usurpation, who has joined to the law and a denial of the rights to other citizens, has committed treason against the state. While the definition

in any of the acts which I have the party or parties offending. We have reached a point in the history of the state where there are but two roads for us to pursue. One leads to order and good government, the other leads to anarchy. The one great ques-tion which concerns the people of this country is the enforcement of the law and the preservation of order."

GORGEOUS DISPLAY.

The display fully met the expectations

a representation of Niagara falls in sil-ver fire. This was at the New York similar to that which precipitated the end of the bridge. It was 625 feet wide French revolution was impending.

and represented a dazzling easeade of The general vigorously attacked the and represented a dazzling cascade of shining silver 200 feet high. There was democratic platform, which demanded a novel telegraphic message written in a return to the state bank period, and

a novel telegraphic message written in letters of fire, sent from one tow:

the other by the Morse code. One of the bombs used was larger than any ever seen here. There were some 25 and 30 inches in diameter. After the exhibition the western roudway of the bridge was opened exclusively to pedestrians going to Brooklyn, while the money question and debridge was used by those coming. promenade was used by those coming to New York. Just as the salute of detonating shells

announced the conclusion of the fireworks display on the Brooklyn bridge an accident occurred on the pler at the foot of Beekman street that was probably attended by loss of life. The pier, which afforded a free and excelle view of the fireworks, was crowded with people during the evening. On the southern side the ship Reaper tied up and the captain availed himself of the opportunity to make some money by selling seats on the vessel. The ves-sel was unloaded and stood high out of the water, necessitating a gangway fully thirty feet long and stretched from the ship to the docks at an angle dle. Some of the people were thrown in a heap on the pier, many sustaining painful hurts and bruises. At least one man fell into the river and was drowned. A woman in the excitement

PHILADELPHIA, Oct. 11 .- A slight fire occurred yesterday morning at Morris & Mashes' ship yard, Cooper's point, Camden. While engine No. 4 was proceeding to the fire, Edward Hartman, the driver, was thrown from his seat by the horses becoming unmanageable aged to escape the wheels by the aid of the traces, climbed upon the back of one of the animals and, although bleeding from the wounds, succeeded in regaining the seat and checking the speed

Drowned in a Barrel of Water. Houston, Tex., Oct. 11.—An old German named Christian F. Sauer, aged 58 years, and who has been a resident of Houston for ten years, was found by his son-in-law, Charles Erch, sticking head first in a barrel of water, which was sunk in the ground. He was a fleshy man, and it was with difficulty that he was extricated, when it was found that he had been dead at least steen hours. He lived alone, and it is supposed he went to the barrel for the purpose of watering some plants,

WEAVER AT KANSAS CITY.

The Third Party Presidential Nominee Addresses a Large Andlence.
Kansas City, Mo., Oct. 12.—Gen. Weaver, the people's party candidate for the presidency, addressed a large audience at the auditorium last night Judge Moulton was chosen to preside and on the platform were the following vice-presidents: C. D. Whitehead, Dr. W. H. Miller, H. W. Pulliam, George D. Sherwin, A. Netterfield, Dr. Whit-tinger, G. M. Elliott, E. W. Justus, G. C. Ward and R. R. Twiss.

The general began his speech by giv-ing a resume of the history of the for-mation of the two great political par-ties of to-day. He said that the third party of to-day had been founded on the Jackson were the two political divinities to whom the speaker said he bowed, and proceeded to elaborate on the perversion of the constitutional rights of same idea to which the republican business while he was absent and was party owed its origin—the freedom of labor. Thomas Jefferson and Andrew which had accumulated in the interval and came to the navy department twen version of the constitutional rights of day that such was not the case, Runk Guayra last night and read as follows: life, liberty and the pursuit of happi- went to his home at St. Davids. great crowds began to gather at points sons. He said he was not a pessimist, beating gait. She was to beat 2:07 and but rather as conveying the feeling of of vantage on the river front in both neither was he an optimist. But he few doubted she would do it. She went Chicago's vast army of organized work-cities, while hundreds of crafts loaded saw the functions of government to the first quarter in 32 3-5 seconds.

Railway Business Increased Materially During September. Kansas Crry, Mo., Oct 7.—The reby the railroads for the month of September show the largest tonnage ever known at this point. The total number of cars of freight of all kinds handled out of here last month was 25, 266. This was the greatest amount of freight handled during September of any previous year. Once fore the number of cars reached 22,000, and again went a trifle over 20,000, but this year eclipses all previous records. A significant feature of this showing is the unusual absence of cut rates or charges of cut rates. While some suspicion, there is nothing tangi-ble upon which to base the charges, and

over the country who contemplate visit-ing the exposition next summer will be Cumberland Presbyterian synod of the gratified to learn that the Women's Cumberland Presbyterian synod of the state of Missouri began a three days' session at the Cumberland Presbyterian church in Warrensburg last night. Rev. S. Finis King, of St. Louis, the retiring moderator, preached an eloquent sermon to a large audience of delegates and local members of the church. At the close of the religious services Rev. It is close of the religious services Rev. of 65 degrees. This gangway was crowded when suddenly there was a crash and the planic broke in the midwas elected mode ator for the ensuing the characteristics. In view of these first the board, and dominant to the control of th CHICAGO, Oct. 12.-No little surprise

> WASHINGTON, Oct. 7.—Capt. Charles H. Heil, of the Twenty-third infantry, has been detailed to represent the war department exhibit at the world's fair. The secretary of the interior has ap-pointed Henry H. Harmon, George Welch and Kemper Peabody, all of North Dakota, as a commission to appraise the lands of the Fort Rice about Secretary of State Foster is in receipt of a dispatch from Mr. Conger, minister o Brazil, stating that the quarantine against the United States vessels was removed.

Capital City Notes.

Silver aggregating 734,000 ounces was offered for sale to the treasury depart offered for sale to the treasury department, and of this amount 374,000 ounces were purchased at .89.906346.

In view of the failure of the grain crop of Spain, Consul Turner, at Cadia under date of September 6, has urgently recommended to the state department that samples of American grain with their commercial classification

ment that samples of American grain, with their commercial classifications and present expert prices, he sent to him to be placed upon exhibition at the board of trade rooms. Accompanying Mr. Turner's dispatch is a call for the American make experiers for the binefit of parties of that place who desire to import direct from the United States.

clared that none of the businesses in which men earn their living by the sweat of their faces are prospering, but that those in which men earn their living by the sweat of other people's faces were getting along swimmingly.

The general scored the dismocratic party for its insincerity in not passing the free silver bill, and charged that the bank of England had sent over \$500,000 with which to demonetize silver. He related that he had been presented with a silver pen, with which he sented with a silver pen, with which he can be the sented with a silver pen, with which he can be the sented with a silver pen, with which he can be the sented with a silver pen, with which he can be the sented with a silver pen, with which he can be the sented with a silver pen, with which he can be the sented with a silver pen, with which he can be the sented with a silver pen, with which he can be the sented with a silver pen, with which he can be the sented with a silver pen, with which he can be the sented specific to the sented specifi Bridge is Celebration of Columbus Day.

New York, Oct. 11.—Brooklyn bridge was the place of attraction last evening. A gorgeous display of fireworks bad been promised. At an early hour had been promised. At an early hour country 2,000,000 idle perhaps the place of attraction last evening. The people said that there were to day in this country 2,000,000 idle perhaps the place of attraction and the little mare came upon the track.

At the set trial Abe Lincoln, the declined them. This declination, queen's running mate, ran into the fence, but at the second Doble nodded by the parade but they have declined them. This declination, queen's running mate, ran into the be looked upon in the light of an insult the parade but they have declined them. This declined them the track.

> A powerful effort, it is asserted, has been at work to keep the men from do-ing anything that would place organized labor in an autagonistic light, but the efforts have proved futile and those who are responsible for the separato parade agitation assert that when the matter is once brought before the labor erganizations of the city they will be only too willing to lend their arsist

Desperate Attempt to Blow Up a Non-Union Boarding House. HOMLSTEAD, Pa., Oct. 8.—Shortly after 2 o'clock this morning the forty non-union mill workers boarding at Mrs. Marron's house were suddenly awak-ened by an explosion which overturned their beds, scattered furniture around the rooms and broke windows. They were all greatly frightened fearing that they had been attacked and wore going to be killed. The house was filled with dust from plaster and the peculiar odor of the explusion conveyed the im-pression that the building was on fire, and men rushed panie-stricken down stairs. One man fell into a huge hole

in the floor. passed a resolution instructing the president, Mrs. Carse, to sign at once the lease for the land, to secure proposals, award contracts and begin the erection of the first dormitory next watchnen in the boarding houses before they will go back.

GRAPTON, N. D., Oct. 8 -- Grafton was visited by a \$40,000 five, set by some tramps. The buildings burned like tinder and not an article in Sandager's tore was saved. He carried a \$30,000 stock. This is a farmers' co-operative store, I milding owned by S. Cairnerous. The hardware store of Bjorneby & Newgard was burned to the ground. The jewelry store of — Bjorachy, in the same building was partly saved. The next building, a harness store, was partially destroyed, but the stock saved. Other buildings narrowly uscaped. Insurance \$35,000.

Slayin, alias McMahon, awaiting trial for the murder of Capt. John E. Davey, for the murder of Capl. John E. Davey, ande a desperate attempt to escape. When the rations were being served him by McDonald, the prison governor, and an essistant be struck the governor with an iron bar, inflicting probably a fatal injury, and engaged in a desperate, struggle with the assatant. The node of the struggle attracted the attention of the daughter of the governor, who ammunical academas, and playing
